

Mirror Gloss 2.0

FALCO continuously leading the way

1 September 2015, FALCO Zrt. continues to lead the way in production advances and is now able to offer **Mirror Gloss** boards with a two sided Mirror Gloss surface.

This product is the first of its kind offered in Europe.

We are committed to continuous development to ensure that we provide products of the highest standard to our customers and the market at large.

As a result of this latest development, we offer affordable luxury to the interior design and furniture industry that can be used not only in a modern, clear design and also in a classical interior.

Our upgraded brand, Mirror Gloss 2.0, will **meet the high expectations** of architects, interior designers, construction engineers and the furniture industry.

The modern way of living.
